

# BETTING ROOKIE'S GUIDE

## HANDICAP BETTING

**FOR THE PURPOSES OF THE BET, ONE TEAM WILL  
HAVE A HEAD START**

Example: The player bets on a 0-2 Handicap for the away team to win. In case the real score of the match is 1-0 (home team to win), the player still wins his bet as the handicap makes the score 1-2 (favoring the away team) for the purposes of this bet.
